

# Outpatient facilities

Zurich has served the insurance and risk management needs of healthcare organizations of all sizes and types for many years. As the role of outpatient facilities has grown and expanded in recent years, so have the insurance protection needs of these organizations. With a solid reputation for experience and knowledge in the healthcare industry, Zurich can offer a range of products and services to address the unique insurance needs and risk management concerns of outpatient facilities. Zurich understands healthcare and the growth of the outpatient segment.

## Security and commitment

Zurich is committed to bringing financial strength, underwriting discipline and knowledgeable service to our customers in healthcare organizations of all sizes and types. Our underwriting discipline helps position us to serve the needs of this market for years to come.

## Customer profile

Zurich offers a range of insurance services to meet the needs of these types of outpatient facilities, among others:

- Surgery centers
- Imaging centers
- Nurse staffing agencies
- Blood banks

## Coverage

- Primary healthcare professional liability (HPL) on a claims-made basis
- Primary commercial general liability (CGL) on either an occurrence or claims-made basis
- HPL and CGL coverages provided on one combined policy
- Deductibles based on an organization's size and loss history
- Umbrella and excess liability coverage over a primary policy or a self-insured retention
- Umbrella liability includes HPL, CGL, commercial auto and employers liability.

## Capacity

- Primary HPL limits of \$1 million each occurrence/\$3 million aggregate
- Primary CGL limits of \$1 million each occurrence/\$3 million aggregate
- Umbrella limits up to \$30 million each medical incident or occurrence/\$30 million aggregate
