## Experience, strength and relationships

Our experience, financial strength and relationships have made Zurich a leading underwriter of political risk and trade credit insurance for investors, infrastructure developers, multinationals, exporters and international financial institutions doing business in emerging markets.

Zurich's in-depth understanding of the dynamics of business in emerging markets enables us to develop products that address the needs of companies pursuing opportunities in developing economies.

The relationships we have forged with private insurers, export credit agencies, multilateral organizations and international banks may enhance the products we offer our qualified customers. These collaborations may also elevate our ability to help mitigate losses for our clients.

Zurich holds ratings of AA- (negative) from Standard & Poor's and A (stable) from A.M. Best Company.\* These strong financial ratings are central to our ability to help our customers feel more secure when conducting business in emerging markets.
