Zurich's Design Professional Team presents a webinar on Risk Management for the Design Professional

Please join us for a complimentary one-hour webinar presented by ConstructionRisk, LLC's J. Kent Holland, Jr. where we will address:

- Contract risk management and other risks arising during construction
- Site safety issues
- Communication and documentation issues
- Building information modeling (BIM)
- Green design
- A broad spectrum of the most significant issues confronting design professionals today

This webinar has been filed with the American Institute of Architects (AIA) for continuing education credit for Zurich Insureds. Certificates of completion can be issued for submittal to state licensing boards. If you are not currently a Zurich insured, you are welcome to take this webinar; however, the AIA credit and certificate of attendance will not be provided.

Dates: Thursday, September 9th – 12:00 to 1:00 pm EST

Thursday, September 30th – 12:00 to 1:00 pm EST

Audio information: (888) 498-0111 and enter Meeting Room Number *3369015* when prompted

Webinar information: Go to <http://zurichna.conferencing.com>, select "Participant", enter Meeting Room Number 3369015 and follow any on-screen instructions

Registration is not required to attend this webinar. Simply dial into the audio and connect to the webinar at the appropriate time. To ensure uninterrupted viewing, it is recommended to connect to the webinar 10 minutes prior to the start of the presentation.

We have additional webinars that are available to be taken at your leisure, which are also filed with the AIA for continuing education credits. To access these prerecorded online webinars, go to http://www.zurichna.com/zna/products/industry/construction/designprofessional_workshops.htm
