

Directions to Zurich North America

The corporate headquarters of Zurich North America is located in Schaumburg, Illinois, a Chicago suburb 29 miles northwest of the city. Visitors from other cities will find Zurich Towers easily accessible due to its close proximity to O'Hare International Airport, less than 10 miles away. Zurich North America is also easy to get to from any point in the metropolitan Chicago area by expressway.

Visitors traveling from O'Hare

From O'Hare, take the I-90 expressway west (also called the Kennedy Expressway/Northwest Tollway). Stay on I-90 for approximately 10 miles until you reach the intersection of I-90 and Illinois 53.

Take the Illinois 53 south exit at the cloverleaf interchange to the Woodfield Road exit. This is also the exit for Woodfield Mall.

Take Woodfield Road west (right) to Plaza Drive, and turn right onto Plaza Drive. Zurich North America's main entrance will be on the left.

From downtown Chicago:

Zurich North America can be reached from either of two expressways: the Eisenhower Expressway (I-290) or the Kennedy Expressway (I-90).

If you take the Eisenhower Expressway, proceed to Congress Street and drive west. This becomes the Eisenhower Expressway just west of downtown Chicago.

After approximately 20 miles, the expressway will split. Keep to the right (toward Rockford). This is the beginning of I-290, which will take you to Schaumburg.

Continue on I-290 for another 15 miles, where it will merge with Illinois 53 north, and exit at Higgins Road. Stay on the frontage road east of the expressway until you reach Woodfield Road. Turn left on Woodfield Road and then turn right on Plaza Drive. Zurich North America's main entrance will be on the left.

If you take the Kennedy Expressway (located approximately six blocks west of downtown Chicago), proceed north (I-94/I-90) toward O'Hare Airport. From this point, follow the directions given above for "Visitors traveling from O'Hare."

Parking

Visitors can park their vehicles at two outside guest lots at each tower.

Zurich Towers can also be reached by public transportation. RTA Pace Bus # 509 stops in front of the main entrance.

Both towers are wheelchair accessible.
