This is intended as a general description of certain types of insurance and services available to qualified customers through the companies of Zurich in North America, provided solely for informational purposes. Nothing herein should be construed as a solicitation, offer, advice, recommendation, or any other service with regard to any type of insurance product underwritten by individual member companies of Zurich in North America, including Zurich American Insurance Company. Your policy is the contract that specifically and fully describes your coverage, terms and conditions. The description of the policy provisions gives a broad overview of coverages and does not revise or amend the policy. Coverages and rates are subject to individual insured meeting our underwriting qualifications and product availability in applicable states. Some coverages may be written on a nonadmitted basis through licensed surplus lines brokers.

Need help navigating the changing landscape of today's private equity and venture capital marketplace?

The private equity marketplace is dynamic, complex and growing. And with increasing complexity has come an expanding continuum of potential risks, many of which can remain unseen or unrecognized until a deal is far along.

Zurich understands the unique risk issues and challenges faced by private equity firms and their portfolio companies. It's why we offer the services of a dedicated Private Equity Group focused on helping customers identify risks early in the process in order to execute smoother transactions.

The seasoned professionals of Zurich's Private Equity Group stand ready to provide you with tailored solutions to the often hidden and unexpected risks of an unpredictable business and regulatory environment. And because rapid response and flexibility are vital to smooth, effective transactions, the time-sensitive needs of private equity firms will receive priority attention and customized services.

Zurich's Private Equity Group delivers...

- Seasoned professionals who understand the dynamic private equity industry
- A multidisciplinary underwriting unit that can evaluate risk from a range of perspectives
- A broad portfolio of solutions encompassing any line of business Zurich writes as a group, including management liability, transactional liability, property, casualty, credit risk analysis, cyber risk, and more
- Alternative solutions, integrated insurance programs and captive services geared to the needs of private equity and venture capital customers
- Access to key Zurich decision makers in executive leadership, underwriting, claims, credit and risk engineering roles
